Agenda Item 59e Exemption from Limited Assurance

The regulations regarding the Annual Return which came into force for 2017 / 2018 enables councils to exempt themselves from an External Audit. The guidance is:

Every smaller authority in England where the higher of gross income or gross expenditure was £25,000 or less must following the end of each financial year, complete Part 2 of the Annual Governance and Accountability Return in accordance with Proper Practices, unless the authority:

- a) does not meet the qualifying criteria;
- b) does not wish to certify itself as exempt.

If a council does not wish to certify itself the cost to the smaller authority for the review will be £200 +VAT.

My recommendation to LCPC is the same as last year and that you should not exempt yourself from the External Audit.

LCPC Associated Papers for Meeting to be held on 10th May 2022

Where there is no other suitable location we may recommend a higher mounting height up to 2.3m where the proposed location is adjacent to or above a footway. In this instance the Parish or Town Council will be required to understand the risks associated with installing and removing a sign at this height before confirming that they would like to proceed.

4. Any vehicle used for transport to the location to be parked in a safe place. If it is possible to park safely on the road, this can help move passing traffic further away. This is especially important if it is necessary to work from a step or platform.

5. High visibility clothing to be worn (minimum of long sleeved high visibility jacket). If working on uneven ground, boots with good ankle support to be worn.

- 4.3 In the event that town or parish councils carry out works that are outside this Agreement then they will be liable for any third-party injury or damage to property. In such circumstances, the town or parish council will indemnify Suffolk County Council against any claims made against it, or any payments made by Suffolk County Council in consequence.

- 4.4 The town or parish council agrees to take out and maintain suitable public liability insurance cover to a minimum value of £5 million with an insurer reasonably acceptable to Suffolk County Council on terms that are sufficient to indemnify Suffolk County Council in accordance with paragraph 4.3 above and will allow Suffolk County Council to inspect the insurance certificate.

Agenda Item 63b Quiet Lanes

Sudbury Wardens have confirmed they are able to erect signage on behalf of LCPC. Councillors are welcome to join the Wardens, however, they will need to be provided with full High visibility clothing and safety boots. Costs of this PPE would be borne by LCPC.

My recommendation is that LCPC appoint the wardens to undertake this task as councillors would not be covered by LCPC's insurance.

Agenda Item 69 History Archives

Dear Mark Quinton,

As the Parish Council is aware for over 20 years the History Group has researched the village and held several exhibitions. During this time a considerable archive has been amassed which has been stored in Dr. Jonathan Belsey's office.

The time has now come for a permanent home to be found for these papers and both the Bury St. Edmund's and Ipswich record offices would be happy to take them. However, before the archive is lodged at a record office the possibility of someone with the time and interest to digitise parts of the history to enable it to be viewed on the village's website should be explored.

There are also trays of artifacts found in the village's fields by a metal detectorist. These comprise 5/6 trays 18" square and 2 which are 2' x 18". They are all approx. 2" deep. These trays would be of interest to visitors of village events and they also required a permanent home as they are at the moment stored in a private house - the Church or Village Hall perhaps?

Please could you bring up these matters at the next Parish Council meeting and let us have any feedback.

Many thanks.

Rosemarie Balls on behalf of the History Group
